

AUGUST 2021 VFW POST NEWSLETTER

Commander's Corner

Its August, and we are well into the 2nd half of 2021 with challenges ahead. COVID as we well know is still with us. And apparently will be for some time to come. There are still many unknowns about the disease, and just as many opinions about personal and social protection. Should the State Health Department and the Governor require masking I ask that you comply and be proactive in protecting both your own and others health. With August, it seems Mother Nature remembered to dial up the summer heat. Remember to protect yourselves from excessive heat, and sunlight, we don't need our extended VFW and Auxiliary Family suffering from heat related injuries. As for myself, I'm still learning, and I wish you all a safe month.

Quinn Chastant, Commander

Quartermaster Comments

Post finances are doing well. Our Bingo crew is doing a fantastic job keeping our hall filled with players. We are grateful for their donations to the Post. Our Breakfast and Dinners are also doing well. The volunteers behind the scenes who do all the cooking deserve a lot of recognition. The Post still need more volunteers to pitch in and help out. We still need help in maintenance, shopping, and in the kitchen. Please take some time out of your schedule and help the Post out.

Chaplain's Chat

Lately I have had more and more request's for prayer. There seems to a lot of reasons to talk to the Lord in today's crazy world. I personally think all prayers should start with thanks for all the good things the Lord has blessed us with. Having said that, If you have anything that you would like for me to include in my daily prayers please contact me. Maybe it could be something you just want to talk about. My phone is 228-326-6745, my e-mail is rickerbogast@yahoo.com. To those who have lost a loved one, we offer our most sincere condolences. To those suffering from illness or injury, we wish a speedy recovery. Hebrews 13, 18-20
